Joan-

I received your summons for the [REDACTED] case scheduled for a Motion to Suppress on 1/19/2012. I'm curious if I am really needed for a Motion to Suppress, or if the summons has a misprint and should say trial instead.

Also, if the trial is on 1/19/12, I may have a conflict as I also have cases scheduled that day in Quincy, Westfield, and Boston, and the Quincy ADA has told me that it is the absolutely first case on for that day. Just thought I'd give you the heads up.
